

Dear Pastor:

I would like to invite you to come participate in our "Heal Our Land" indoor Camp Meeting. I believe that the woes that are defiling our nation are not to be blamed

Lev 18:27-28

27(For all these abominations have the men of the land done, which were before you, and the land is defiled;)

28 That the land spue not you out also, when ye defile it, as it spued out the nations that were before you.

on our political leaders or the entertainment industry, (which seems to be dominating the culture of our society). But rather I am of a firm belief that the burden of our nation rest squarely upon the shoulders of those who have received the Precocious Atoning Blood of Jesus Christ as a ransom for their souls, that we no longer are our own but we have been bought with a great price. We must be about our Fathers business. I am seeing a spirit of division strengthen against the citizens of the USA, and what's worse I have even witnessed it among the Church. I am absolutely convinced that this next verse is absolutely true as is the whole Word of God.

2 Chron 7:14

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

I believe that we are about to experience one of the greatest awakenings that the world has ever seen. All of my life I have heard of a great end time revival and I am convinced that the Bible indicates such a great move. Bishop Brady Jackson from Royal Praise Ministries in Kings Mountain NC was recently with us during our Holy Week Tent Revival, he made this statement and I believe it was inspired by God : **"If it is going to happen, why not now, if now, then why not here, if here, then why not with us."** When he made that statement I was quickened by the Holy Spirit and have been holding on to that Word ever since. I believe if many pastors, lay leaders and Church members, will sacrifice to be here during the week of Heal Our Land Camp Meeting , that not only will God honor the spirit of unity demonstrated for a great release of His Mighty Spirit upon us here in the Savannah region but that you will take this Power and Spirit of Dominance back to your local community and Church. The meeting will begin on July 16th and go thru July 23rd. I am asking as many of you as can possibly come from Monday 19th thru Friday 23rd to please be here. We will be glad to help you with hotel arrangements or whatever else is needed to make the week as comfortable as possible.

At the last Just Men's Fellowship in Hudson NC. I was talking with Pastor Paul Brintley and the Holy Spirit spoke to me and said **"Borrow vessels and borrow not a few."** As I continued to seek God on this Word He gave me more. In 2 Kings 4 we see that the widow was to borrow empty vessels, so I am asking you to empty yourself out before the Lord, like Mary's alabaster box we should be broken and spilled out at the feet of our Lord, a Broken and contrite spirit He will not refuse.

John 17:22

22 And the glory which thou gavest me I have given them; that they may be one, even as we are one:

The Lord has also shown me that we are in a spiritual deficit, meaning the we should be releasing the Glory of God in the earth, and we have been falling short of what has been required of us, because of this the enemy is trying to enslave our children and bring them into a spiritual bondage.

John 7:38

38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.

I believe that if you will come and support this camp meeting that God will pour out His Spirit (oil) and fill every empty vessel and that the Spirit (oil) will not be stayed until every vessel is full, and this great anointing will "pay off" our spiritual deficit that is threatening our children's freedom, and will also give us an anointing that will help sustain us through the next few years as we grow and build for the Glory of God.

Joel 2:28

28 And it shall come to pass afterward, that I will pour out my spirit upon all flesh;

I cannot over emphasize our need for your enthusiastic support in this time of our ministry. I am asking every friend to lay aside your own life for 1 week and do everything possible to come and help us gain a great victory over the spiritual wickedness that is currently dominating the atmosphere of our city.

Remember that what you help make happen for others, God will surely do for you also.

Thank you for being a friend to us and our ministry. I hope to see you in July.
